

**ACTING-**  
-with another  
person on  
stage.

## **Remember!**

- ▣ Movement
- ▣ Emotion
- ▣ Facial Expressions

## **Acting and Reacting**

- ▣ Acting:
  - What the very first person who does or says something on stage does.
  - They have NOTHING to react to, so they are truly acting.
- ▣ Reacting:
  - What every line and action after the first one is.
  - What you say or what you do is in reaction to what was just said or done by the other actor.

## **Reaction**

- ▣ Should be seen:
  - In the facial expression
  - In the body language
  - In the blocking choices
- ▣ Should be heard:
  - In the lines of dialogue
    - Inflection
    - Emotion
  - In non-verbal noises
    - Laughing
    - Crying
    - Sighing
